The University of Luxembourg is a multilingual, international research University.

The Faculty of Law, Economics, and Finance (FDEF) of the University of Luxembourg has jobs openings for

Assistant professor (tenure track) in Business Administration with a specialization in Managerial Accounting or Business Taxation
(Subject to approval by the Board of Governors).

- Contract Type: 5 years (tenure track) - with perspective of a permanent position and promotion to Associate Professor upon a positive evaluation
- Work Hours: Full Time 40.0 Hours per Week
- Location: Kirchberg
- Earliest starting date: September 1, 2022
- Job Reference: UOL04546 - F2-50012567 (to be mentioned in all correspondence)

The selected candidate will deliver strong teaching and student experience in business education, and engage with Industry. Although the selected candidate will have a specialization in management or tax accounting, candidates should have a background sufficient to teach a variety of undergraduate foundational business courses.

We offer

An international team at a young, dynamic University. An interdisciplinary research environment. A wide network of academic, institutional and corporate partners. Skilled support staff and team-oriented work environment. Competitive salary and benefits

Associate professor (promotion track) in Business Analytics with a specialization in Marketing Analytics

The position at the Associate Professor level follows University of Luxembourg's promotion-track career scheme and a possibility of promotion will be given after 5 years upon positive evaluation.

- Contract Type: Permanent
- Work Hours: Full Time 40.0 Hours per Week
- Location: Kirchberg
- Job Reference: UOL04100 - F2-50012630 (to be mentioned in all correspondence)

The selected candidate will conduct impactful research leading to publication in leading business and marketing journals, deliver strong teaching experience, contribute to study program development, and acquire external research funding through active engagement with industry. While the selected candidate will have strong knowledge and research interests in Marketing Analytics, applicants should be able to cover a breadth of business analytics courses and topics.

All applications should be addressed to **Professor Katalin Ligeti / Dean of the Faculty of Law, Economics and Finance: fdef-recrutement@uni.lu** We ensure a **full consideration for applications received by 15/12/2021.**

The University of Luxembourg is an equal opportunity employer.
